[redacted]  
I wish to express again my appreciation for the support that you and your staff have provided for the Information Science Training Program. Without your assistance and the facilities provided by you in Building T-4 and T-42 we would have been unable to conduct a program this year.

STATINTL

As you probably are aware we are very interested in employing [redacted] in the Information Science Training Program after his retirement from the Army. Of course he would be available as a guest speaker for your school as well. However, we have exhausted the space in Building T-42 and it would be most helpful to us if he could continue to occupy office space in Building T-4.

STATINTL

[redacted] of my staff spends most of his time in your area while his courses are in progress. Thus far he has been using the table in the hallway of Building T-42 for working space. Would it be possible to assign a small office with desk and telephone in Building T-4 for his use while courses are in progress?

Please consider these as informal requests and do not hesitate to phone me on [redacted] if they present any difficulties for you.

STATINTL

Sincerely,

STATINTL

[redacted]  
HUGH T. CUNNINGHAM  
Director of Training
